Claim – 88002  
Debtor – Commonwealth of Puerto Rico  
(Department of Education)

**Motive of the Claim:**

I worked as a teacher since January 1963 to September 9, 2009. When Hon. Carlos Romero Barceló was governing he granted the benefits of the Law 89 – July 2, 1979. In this law the employee will receive an amount of \$50.00 dollar or \$70.00 dollars. I did not receive in my check that income that indicated the Department of Education paid me that amount. Based in this law, I am claiming that the debtors are in the obligation to pay me the amount of \$14,800.00. This amount is based in the year I did not see the increase in my checks.

The nature of this claim is based in incomes that I didn't receive in my paycheck.

Thank You
